A CHRONOLOGICAL STUDY OF THE

B i b l e

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through him, and without him was not any thing made that was made. In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it.

John 1:1-5
English Standard Version

WHY This Reading Plan?

If you read the Bible from cover to cover, you will notice it is organized by genre, not in the order the events took place. Reading the Bible in the order that the events occurred helps connect the dots between different books and historical moments. Instead of jumping between time periods, a chronological plan walks you through the unfolding story of Scripture as it happened.
